“Embracing values while utilizing professionalism and integrity to maximize results for his clients.”

CAREER PROFILE

Joe has a proven track record as a Public Adjuster, orchestrating optimal benefits through tactical strategies guided by his vast experience. By leveraging technology, effective resources, precise documentation, assertive negotiations with all stakeholders, and an overriding focus on meeting and/or exceeding all client expectations, Joe is highly regarded by both clients and insurance companies.

Joe has been actively involved in handling thousands of insurance claims during his career as an insurance professional. He secured and intimately adjusted over 500 insurance large-loss events throughout North America, with loss values ranging up to \$30M, per event as a public adjuster.

EDUCATION, TRAINING, & ACHIEVEMENTS

BACHELOR OF SCIENCE IN BUSINESS ADMINISTRATION

Buffalo State College, Buffalo, NY

NYS PUBLIC ADJUSTERS LICENSE, 2007 - CURRENT

NYS Department of Financial Services

MEMBER (PAST) INSURANCE COVERAGE COMMITTEE

NYS Bar Association - Torts, Insurance, & Compensation Law

SUMMARY OF QUALIFICATIONS

- Nearly 32 years experience in the insurance claims profession and the last 17 years as a Public Adjuster; providing services as a professional consultant/advocate.
- Extensive knowledge and experience in both claims handling and insurance company processes, protocols and best business practices.
- Over five years of experience in multiple key executive management positions in the industry have taught Joe the value of the collaborative process.
- Experience working with various partners, vendors, customers, and stakeholders worldwide to help solve problems, service customers, and grow relationships.
- Makes the most of current technologies to enhance productivity and accelerate results beyond targeted objectives and awards.
- Has in-depth knowledge of and experience working with Windows, Mac, MS Office, proprietary industry software, evaluation tools/technologies (XactContents, and Xactimate), and multiple claim management systems used throughout the insurance industry.

EXPERIENCE

- 2021 - Present • **PARTNER / LICENSED PUBLIC ADJUSTER**
The PA Firm, LLC, Tonawanda, NY
 - Operates autonomously as an owner of the firm, serving both residential and commercial clients, with responsibilities and coordination of services similar, if not identical to, the former position with NFA. The only exception is that he can represent clients in an executive role where he is personally invested in their optimal success.
- 2003 - 2021 • **LICENSED PUBLIC ADJUSTER**
National Fire Adjustment, Amherst, NY
 - Functioned in the capacity of front-line advocate, representing home and business owners during post-loss, first-party property damage claims.
- 2002 - 2003 • **CLAIM MANAGER**
LoVullo Associates Inc, Depew, NY
- 1994 - 2002 • **TEAM MANAGER, SENIOR INVESTIGATIVE UNIT & CLAIMS REPRESENTATIVE**
State Farm Fire & Casualty Co., Cheektowaga, NY
